Discount Schedule:

- All software licenses and maintenance fees for a given product or suite are dicounted 40% after the first 3 are purchased at full price.

Software Maintenance:

- All Sidwell authored software product purchases include the first year of software maintenance.

* - PB Genealogy requires a license of PB Administrator

** - When upgrading from single use to concurrent licensing we will need to compute the maintenance upcharge for the remaining months of (pre-paid) maintenance (including any remaining maintenance which is included in the original purchase).
